- 2 x copies of Floor Plan and Elevations drawn to scale of 1:100 or 1:200 of your proposed development
 - 1 x copy of a Survey Plan (this will be necessary for your Complying Development Application and will assist in providing accurate advice to you)
 - Payment of an application fee (\$200)
-

Background Information

The NSW Government introduced State Environmental Planning Policy (Exempt and Complying Development Codes) 2008 on 27 February 2009. This Policy and the Canada Bay Local Environmental Plan 2013 permit a variety of developments including one and two storey dwelling houses to be approved as Complying Development. These documents also contain provisions that allow minor developments to be exempted from the need for development consent.

Council's Complying Development Certificate Service

If you obtain written advice from Council using this form, **we will deduct the \$200 application fee** from your Complying Development Certificate (CDC) application fees, **if you lodge your CDC application with us.**

Choosing Council as your accredited certifier provides reliability backed by the long-term support and stability of a publicly recognised organisation that employs professionally qualified planners and building surveyors with a wealth of experience in development matters. Our team will provide you with an informative, quality service that is both efficient and cost-effective.
