Northern Sydney Freight Corridor Upgrade - Mutton Reserve

Council has been advised by Transport for NSW that it proposes upgrade to the northern freight line within the rail corridor adjacent to that property. This proposal requires the use of Mutton Reserve as a works compound.

Transport for NSW has advised Council that access to Mutton Reserve during this time will be limited to pedestrian use only. Works are expected to commence during June 2013 and limited pedestrian access to the Reserve in accordance with the attached plan will be for a period of up to 3 years.
