**REPORT**

I wish to congratulate the City of Canada Bay Heritage Society on the occasion of their 50th Anniversary.

The society is an amalgamation of the Concord Heritage Society and the Drummoyne & Districts Historical Society.

The 50th anniversary was celebrated on August 11, marking 50 years to the day since the formation of the Concord Heritage Society in 1969 which was followed by the Drummoyne & Districts Historical Society forming on October 3, 1975.

The Society works tirelessly to inform and promote the history and culture of the City of Canada Bay area.

They preserve, restore and maintain a variety of items from old typewriters to rare maps of significance to the area. Their aim is to promote the preservation, restoration, conservation, maintenance and use of all places, buildings and monuments of historic, architectural, cultural and environmental significance within our area.

As a society they host a variety of talks, exhibitions and open days serving their local community and visitors from further afield.

The Society's City of Canada Bay Museum in Concord provides fascinating historical information and memorabilia from our area and I would encourage all of our community to pay a visit and to learn more about the significant history of this area to our nation.

**RECOMMENDATION**

THAT Council congratulate the City of Canada Bay Heritage Society on their 50th Anniversary.
